Angel players are encouraged to attend the association's skill development and 4 on 4 camp instructed by UBC Thunderbird Women's Varsity alumni players. The clinic will focus on player development, skill enhancement, skating drills, puck handling and shooting technique. The drills will be skill specific for each age category and will challenge every player to enhance their skill set to higher levels.

To incorporate a fun element to the clinic, each session will feature a 4 on 4 game. Players will enjoy a new experience which will showcase their talents and new found skills on wide open ice.

The clinic instructors, Jenny Mahovlich and Claire Wong have had successful careers in the UBC university program and have competed at the highest levels of women's hockey in Canada.

Space is limited to maximum of 24 players / 3 goalies in each division's session. As an association we are dedicated to progressive development of our players. Angel players will benefit from the best value for ten hours of qualified instruction and ice time.

Register early to secure your space on a first come basis. Your registration and payment should be mailed to address provided or given to Jenny Mahovlich in person.

All sessions will be at Trout Lake, 3360 Victoria Dr, Vancouver
