

Attention all Visiting Teams!

Proof of Vaccination: Beginning October 1, 2021 all visiting teams entering the Burnaby Winter Club are required to verify that all their spectators 12+ are vaccinated in accordance with the PHO order.

Effective October 1, 2021;

- Prior to entering any BWC facility your spectators are required to provide proof of vaccination per the September 13 and October 24 PHO order deadlines.
- You are required to provide the BWC Team Manager with the attached, completed form listing all your spectators and certifying that they are vaccinated per the PHO order.
- If the form is not completed or, is completed inaccurately the privilege of allowing your spectators will be removed.

I have verified and confirm that the above spectators have received an approved Covid-19 vaccine and are vaccinated according to the Provincial Health Officer order. I understand that failure to represent this information accurately will				
result in forfeiting the previledge of allowing our spectators into the Burnaby Winter Club. If additional spectator join				
this group I will verify their vaccination and forward to the BWC Team Manager on this form.
