And like that, we've completed another great hockey season!

A huge thanks to the Parents, VFIHA Executive, Team Officials, Referees, and especially the Players for making this past season a great one.

Some of the highlights from the past year:

- Volunteer participation was outstanding again - Thank you!
- UBC Development Program continuation @ Richmond Oval
- New Development Partner - Empower Hockey
- Hosted a wonderful event - Female Hockey Festival in October 2022
- Outstanding Referee signups & training
- Amazing Commitment from Coaches and on-ice helpers
- Managers/HCSPs for their steadfast commitment to safety
- Indigenous focused Come Try Hockey events
- Indigenous re-imagining of our crest, as a way of engaging with local first nations
- Parents for their amazing patience with arena staff and team officials
- Arena & Park Board staff for their help and hard work enabling our hockey season
- Engagement with local indigenous communities has continued and led to some successes already!

Thank you to Scotiabank, viaSport & the Government of BC, and our many Corporate Sponsors for helping our Fundraising efforts this year, and the many team sponsors for their support.

Thank you to everyone who helped by volunteering over the past season, including Parents, Coaches, Managers, & Referees. Your contributions at the Team & Association level continue to help make this Association great.

Thanks to the Female Hockey Festival organizing committee! We had an amazing set of volunteers that put a ton of time and effort into what was a very successful event!

Thank you to the Killarney Community Centre Society for their ongoing administrative support over the years. KCCS supports our association through their community board and accounting services. The staff have been extremely helpful with our Community Gaming Grants, helping to arrange board meetings, and keeping on top of our books.

Thank you to the VFIHA Board of Directors for your continued commitment to working behind the scenes, helping make our association unique and a great place to play.

We have a bright future ahead of us, and we look forward to working with you to make it all happen!
